

A Century of Caring

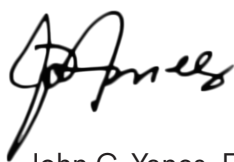

On behalf of CommonSpirit – Saint Joseph Hospital – London, it is a true pleasure to invite you to the 2026 Roaring Centennial Gala. Each year we look forward to this event with great anticipation, but this year is extra special as we celebrate our hospital's centennial milestone.

Our history began in 1926. Thanks to the vision of Dr. H.V. Pennington and subsequently the Sisters of Charity and the dedicated caregivers who followed them, Saint Joseph Hospital London has evolved from its humble beginnings as Pennington Hospital into the award-winning regional facility it is today, serving a six-county area.

Proceeds from your generous donations this evening will be specifically allocated to cancer care services at Saint Joseph Hospital – London. Every gift helps support vital cancer services, patient assistance programs, advanced technology and resources that help patients and their families throughout every stage of treatment. Your generosity makes a meaningful difference, bringing hope, healing and comfort to those facing cancer in our community.

Thank you for your continued support and for being a part of our legacy as we look toward a second century of healing.

With gratitude,

John C. Yanes, FACHE, CPPS
President
